ALL READY FOR CONVENTION IN CHICAGO

CHICAGO, Ill., Aug. 4.—An air in readiness for the second presidential convention of the year in this city. The delegates from all over the country to the Bull Moose party convention, which will open here tomorrow, have been crowding into the city for several days, and most of them had arrived when the late trains reached the city tonight. The few tardy ones will undoubtedly be on hand when the temporary chairman raps with his gavel about 10 o'clock.

It is probable that John M. Parker, a Democrat of New Orleans, will be selected as the permanent chairman of the convention, but there has been nothing definite settled regarding that or any of the other offices of the convention to date. Senator Dixon is on the ground, although there has been little for him to do, save attend to the routine matters.

Hiram Johnson is practically assured of the nomination on the Moose ticket for the second place. He is reported as being confident that he will win the nomination, and his California contingent is enthusiastic over the prospect.

Colonel Roosevelt has left Oyster Bay for Chicago, according to dispatches received here tonight. He will be here in time to attend the opening session.

Roosevelt En Route.
NEW YORK, N. Y., Aug. 4.—Colonel Roosevelt started for the Progressive convention, to open in Chicago tomorrow morning, this afternoon. Before leaving he gave out a statement in which he declared that "the party must accept the doctrine for which I stand if I am to be a candidate. I shall want a word, the final word, regarding the platform."

CRANE MAY BE THE DEMOCRATIC TREASURER

CHICAGO, Ill., Aug. 4.—It was reported here tonight that Charles Crane, who supported La Follette's campaign for the presidential nomination, but who subsequently left the Republican party and aligned himself with the Woodrow Wilson boomers in Baltimore, may be selected by the Wilson managers as treasurer of the Democratic campaign fund. Mr. Crane has refused to comment upon the reported appointment.

FAMOUS CASCO NOW FISHING SCHOONER

SAN FRANCISCO, Cal., Aug. 4.—The Casco, once used by Robert Louis Stevenson during his voyage through the South Seas, has been purchased for use as a fishing schooner. Stevenson wrote some of his best tales on board this ship.

The Casco was originally built for Dr. Merritt of Oakland, Cal., and was to be used as a cruising yacht. She cost many thousands of dollars and the interior work was probably the finest ever put into any vessel.

COMMITTEEMAN DIES.

FAIRBANKS, Alaska, Aug. 4.—Democratic National Committeeman Day, returning from the convention in Baltimore, killed himself on board the steamer today. He is believed to have been insane.

COLORADO BANDIT'S DESPERATE BATTLE

LA JUNTA, Colo., Aug. 4.—George Ballew, escaped convict and all-round bad man, killed himself this afternoon, after a desperate fight with the pursuing sheriff and his posse. Ballew laughed as he died, and deduced the remaining members of the posse to come and take him.

Ballew's pursuit had lasted for days before the posse finally came across his trail near the town of South Platte. He was chased there, and in a fight against his hunters set fire to the hotel and burned it to the ground. He managed to wound four of the posse before, driven to a corner, he turned his last shot upon himself.

SUGAR TRUST PROBE MOVES TO UTAH

SALT LAKE, Utah, Aug. 4.—The government's probe of the Sugar Trust will be resumed here tomorrow. William Bryce of New York arrived here tonight to conduct the sugar hearing, which has been transferred from San Francisco in order that certain phases of the investigation concerned with the relations between the Mormon church and the corporation may be obtained on the ground.

SENATE COMMITTEE PUTS BAN ON "TAINTED MONEY"

WASHINGTON, D. C., Aug. 4.—The Senate committee on elections yesterday agreed to a bill incorporating a clause which forbids corporations from contributing anything of value to the campaign for the nomination or election of any presidential electors, Congressmen and State Legislatures who shall have the right to elect United States Senators. The measure would limit the contribution of individuals to \$5000.

THOUSANDS REQUEST STATE AUTHORITIES TO LEGALIZE RACING

SACRAMENTO, Cal., Aug. 4.—At the office of the secretary of state yesterday afternoon, it was announced that there are more than sixty thousand signatures to the petition which has been circulated throughout California, asking for an initiative election on the question of legalized betting at the races.

VICTORIA, British Columbia, August 3.—Bound for the famous Tiburón Island in the Gulf of California, which is said to be rich in gold and other minerals, two schooners, the Tenderfoot and Drifter, of the Victoria Yacht Club, left port last night, carrying an adventurous party of treasure hunters.

HEAVY DAMAGES SUIT FOLLOWS ROSENTHAL MURDER

NEW YORK, August 3.—George Considine, owner of the Metropole Hotel, in West Forty-third street, before which Herman Rosenthal was shot and killed July 16, announced today that he intended to sue "Bridgey" Webber for one hundred thousand dollars, alleging that his hotel had been damaged to that extent by the statement Webber has made to the police respecting the murder.

Webber, who has been held by the police since the evening of the shooting as a "material witness," has also been used by the authorities to locate for them the various other suspects in the case. It was Webber who located Jack Rose, professional gambler and close friend of Police Lieutenant Charles Becker, who has been indicted for first degree murder. Rose is the man who hired the automobile in which the five thugs escaped after shooting Rosenthal to death.

Enforce the Law.

NEW YORK, August 4.—At a mass meeting held here last night, as a result of the murder of Herman Rosenthal, the gambler, it was decided that the great need of the present day is to make the law effective. There are, said several of the speakers, plenty of laws upon the statute books.

PRIEST SAID THE LAST RITES

Mr. N. O. Ford, who owns and conducts a printing house at 1716 Everett St., Alameda, called Sept. 15th to give us the following: Two months before he was asked to witness the signing of a will by a dying person. A San Francisco attorney was reading the will as he entered. Ford learned that the patient had Bright's Disease and expected to live but a few days. He saw the feet and ankles. They were swollen to huge proportions, nearly six inches through at the ankles, and the legs had turned black from the knees down. She had been sleeping sitting up; could not lie down due to the dropsy. The priest had been called and it was believed she would not survive till Sunday. Ford told about Fulton's Renal Compound and urged the patient's sister to get it. It was sent for.

Three days later Ford, phoned to ask how the patient was. The sister replied she was growing worse. Ford urged her to continue the treatment, said that sometimes it was slow.

The day Ford called, Sept. 15th, he stated that the patient was in the yard making preparations to return to her country home, that the swelling had gone down, limbs were normal, and other than the sores left by the bursting dropsy the patient was feeling well and happy.

Not all these last-minute cures recover, but that some do should give patients hope.

Honolulu Drug Co. is local agent for Fulton's Renal Compound. Ask for pamphlet.

APOSTLESHIP OF PRAYER ELECTS OFFICERS

At an enthusiastic meeting of the Apostleship of Prayer held at the Catholic Mission yesterday afternoon the following officers were nominated and elected to serve for the year beginning August 1st, 1912: President, Rev. Father Reginald; first vice president, John P. Mole; recording secretary, John Camara; assistant recording secretary, Thomas Lincoln; corresponding secretary, Adrian M. Keoho; treasurer, Eugene Souza; registrar, Adolph Rodriguez; assistant registrar, Joseph M. Keoho; master of ceremonies, William Perry; sacristan, Manuel Freitas; arch-promoter, Adrian M. Keoho.

At this meeting it was also announced that a movement was on foot to organize the Catholic Boys' Scouts, similar to those now in existence in Europe and certain parts of the United States. The members of the Apostleship decided to attend the monthly Communion of Reparation on the first instead of the second Sunday of the month, commencing with the month of September, in order to permit the members of the Holy Name Society, recently organized at the St. Louis College, to attend Communion in a body.
